CHARTER

92ft Motor Yacht HEARTBEAT OF LIFE

Yachting in Style *with Peace of Mind*

Bernard Gallay

The Yacht *Market Overview*

Following the 2 record years of 2021 and 2022, the market is slowly but surely achieving better results over the years, which reassures us that our expansion strategies are efficient. The initial months of this year saw a lot of activity; a very promising year is ahead of us regarding yacht sales, given we already have many in progress, and also for yacht charters, considering the large number of contracts we already have signed.

Sales

Over the winter, our perseverance has borne fruit with several successful sales already concluded or in progress. The BGYB team has demonstrated adaptability and responded promptly to customer inquiries. We are pleased to announce that since the last issue of our Fall 2023 Episode, the BGYB team has closed 10 sales. Notable sales include the sailing yachts Swan 76 **SILANDRA V**, CNB 76 **FIFTY FIFTY** and Futuna 70 **ICHTUS**, as well as the motor yachts Goldfish 46 Bulett **AXELLE** and Hinckley Talaria Picnic Boat 37 **BLUE MOON VI**. With 10 more sales currently underway, we anticipate this list to grow further.

Our sales fleet has also gained several prestigious listings; among the motor yachts, the Couach 2100 Open **WILD**, Lobster 65 **OLYMPIC MARITIME**, and 65ft Gentleman Yacht **KITIKAE**, among the multihulls, the amazing GP 70 **CATCH ME** and Ice Cat 67 **USODA**, and among the sailing yachts, the 130ft Cutter Rigged Sloop **ONYX 2**, Sangermani 85 **QUARTA SANTA MARIA**, Van de Stadt 84 **HEIDENSKIP**, Ocean Carbon 82 **AEGIR**, 82ft Trehard Aluminium Sloop **DANJGO TOO**, and Swan 58 **SHINE**.

Charter

Over the past few months, the charter department has shown remarkable perseverance and is achieving amazing results for this beginning of the year! We are pleased to announce that we have already signed quite a lot of contracts for the year 2024. It is worth noting that our clients have booked their charters earlier than ever before!

The BGYB Fleet has never been so large; we are approaching having 30 yachts available for charter! Notably with 4 cutting-edge yachts: the Swan 108 **FANCY**, the Catamaran Sunreef 80 Eco **APOLLO 99**, the McConaghy 75 **JACK**, and the Lagoon 77 **MANE ET NOCTE**. The yacht show season started with a bang with a Fam Trip to the Seychelles for the charter team, participation in the Dubai Yacht Show, and other yachts shows to come in April and May. With these exciting developments, we look forward to a successful summer season ahead and welcome all charter inquiries, including those extending until Autumn 2024, with the exciting America's Cup event held in Barcelona later on in the year!

Marketing and Development:

A notable change occurred during the autumn months of 2023, when sales activity increased significantly. This trend continued into 2024, where we consolidated our market positions and continued to develop our direct customer base. The year 2024 will be marked by strategic expansion of our operations (including finding a new office headquarters to accommodate our growing team), optimisation of internal processes, and agile adaptation to new market dynamics.

simply beautiful - because we can

BGYB represents YYachts in France

The YYachts shipyard is located on the Baltic Sea, almost directly on the water. Here we can manufacture yachts up to 35 metres in length. The shipyard is equipped with modern and technologically advanced systems to guarantee efficiency and precision in production. At the same time, the structure is simple and straightforward to live up to the YYachts philosophy of "Keep it simple".

Their goal is to build sailing yachts that give you time for yourself as well as freedom and fun with your family and friends - a reliable investment in a better quality of life. We will treat you with the honesty and authenticity with which we produce our yachts. Our passion is to build sustainable sailing yachts that are ahead of their time, yet easy to sail and maintain.

Ybreeze 75

The new iconic daysailer for speed and fun

With the all-new YBREEZE 75 daysailer, we have created - in collaboration with Cossutti Yacht Design - what promises to be a whole new type of yacht. More a coastal speed machine than an offshore cruiser, this eye-catching 75-foot carbon-fibre craft has been designed for sailors who want to enjoy relaxing afternoons with friends or the excitement of a regatta.

Y8

With its construction, the Y8 has good potential for regatta victories. Since the mast has been placed further aft, the new Y8 carries a larger headsail, which provides better height in the wind. In the cockpit, guests enjoy a wonderful sailing atmosphere al fresco. The crew has a separate entrance here. With its soft edges and coachroof, and flooded with natural light, the Y8 has a relaxing atmosphere! Due to its design, the Y8 can be sailed with a very small crew, making it an ideal family yacht.

Starting from Grand Harbour, yachts will sail a course leaving to port the Island of Sicily, the Aeolian Islands (including Strombolicchio), the Egadi Islands (except Marettimo Island), Pantelleria and Lampedusa Islands, through the South Comino Channel, keeping Malta to starboard, to the finish line in Marsamxett Harbour. This is not one for the fainted hearted.

The race attracts a great range of yachts from the latest IRC designs to big classics and schooners, and has grown up to become a 'must do' offshore classic.

Les Voiles *de Saint-Tropez* *25th Anniversary*

Date: **29 Sept - 08 Oct 2024** - Location: **Old Port of St-Tropez, France**

This event is organized by the Société Nautique de Saint-Tropez approved by the Fédération Française de Voile, under the auspices of the city of Saint-Tropez and the patronage of the Yacht Club de France. The event boasts generous sunshine, wind, the setting of the Gulf of Saint-Tropez, the most beautiful Maxis, Moderns, and Classics in the world, sailors from all horizons, and a convivial atmosphere that fosters camaraderie. Each year, over three hundred yachts will be on the water for an 'haute couture' procession, gathering together nearly a century and a half of naval architecture and maritime genius. The BGYB team also attends Les Voiles de Saint-Tropez, with some of our yachts for sale and/or for charter.
