Yachting in Style *with Peace of Mind*

Bernard Gallay

The Yacht *Market Overview*

This year is a momentous milestone for BGYB as we celebrate our 30th anniversary. We are thrilled to report that this commemorative year has been marked by exceptional success, with a busy year of sales and a record number of charter contracts before the year is even up. We now look forward to the months ahead and hope to continue to build on this momentum.

Sales

The BGYB Sales department has seen a strong start to 2024, with the critical summer period bringing numerous successful sales and many more currently underway. We are pleased to announce that we have closed 22 sales since the beginning of the year. Noteworthy sales include the motor yacht Lobster 65 **OLYMPIC**, the sailing yacht Wally 100ft **Y3K** as well as the Multihull Ice Cat 67 **USODA**. With 4 sales currently in progress, we anticipate further growth to this list.

Our sales fleet has also expanded with several new listings. We are excited to welcome the 107ft Wally Racer-Cruiser **SPIRIT OF MALOUEX**, now back on the market with us after a successful sale in 2022, and the 104ft Sloop **ASAHI**, whom we are now selling again for the fourth time. Additionally, we have added the 189ft motor yacht **HARMONY**, the 82ft sailing yacht **DJANGO TOD**, and the sailing catamarans MC 75 **JACK & HH66 NO CODE** to our fleet.

Nominated for Multihull of the Year 2024, we are also excited to announce that the catamaran GP70 **CATCH ME** from our Central Agency is exhibited in world premiere at the Cannes Yachting Festival 2024. With our Sales Team attending, this event presents an exciting opportunity for us to engage with industry leaders and potential clients.

Charter

Over the past few months, the charter department has achieved remarkable success. The summer season of 2024 has already produced our best figures yet, even with the year still ongoing. We've signed a record number of contracts, and have already started to sign contracts for the Caribbean season and on into Summer 2025.

The BGYB Fleet has grown significantly over the past 6 months. We are firstly pleased to announce our most recent addition to our Central Agency, the 41m motor yacht **SOPHIE BLUE** whose calendar is already open for the 2025 summer season! We have also expanded further into the Seychelles where we are now offering a second catamaran, the Lagoon 620 **RÉVEZMER**, alongside the Lagoon 77 **MANE ET NOCTE**. BGYB has further welcomed the Swan 105 RS **SELENA**, the Swan 76 **LA LOÉVIE** and the Sunreef 82 **HOUBARA** to our Central Agency as well as reintroducing the Alegria 67 **SEMPER FIDELIS**. With these new additions, our Central Agency currently stands at an impressive 27 yachts available to charter.

We have further seen a number of our charter yachts displayed at prestigious yachting events. Notably, the Truly Classic 90 **ATALANTE** and JFA/Vitters **IKIGAI** were featured at the Palma International Boat Show, whilst our new Swan 76 **LA LOÉVIE** was promoted at the ECPY Open Day.

In June, we were particularly thrilled to offer an exclusive racing charter opportunity with Francis Joyon.

The distinguished French the yachtsman is known for his records such as the fastest solo circumnavigation in 2004 and the fastest crewed circumnavigation in 2017. Joyon provided an extraordinary opportunity to sail aboard the 60 Orma Trimaran **OCEANS** in events such as the Round the Island Race on the Isle of Wight and the Drheam Cup in France.

Looking ahead, our team now look forward to the autumn and winter charter seasons. We eagerly await our upcoming events such as the Swan Cup when the highly decorated Swan 82 **KALLIMA** will be racing, and the exciting America's Cup in which a number of our boats have secured key berths to watch the festivities. We further welcome all charter inquiries extending into Summer 2025.

Marketing and Development:

We have seen our BGYB team grow this year. We have welcomed to our Montpellier office our new annual Charter Assistant in June as well as two new Junior Charter Brokers at the start of September. These roles aid in handling our increasingly high volume of enquires, furthering our marketing strategies and managing our boats for charter. With our rapidly expanding team, we have also secured a new headquarters in Montpellier, which we anticipate relocating to as we approach 2025.

We now look forward to our attendance at a number of renowned yachting events such as the Cannes Yachting Festival, the Monaco Yacht Show and the Antigua Yacht Show. We are also highly anticipating our annual BGYB trip to Voiles de Saint-Tropez where some of our yachts for sale and for charter will be displayed and we shall be celebrating our three decades in yacht brokerage.

ATLANTIC

ASAHI

104ft Trehard Sloop

Designed by Jacques Fauroux and built for an experienced yachtsman, she was destined from the beginning to be a top-notch performer on the water and in the charter market.

Performing in the charter market, ASAHI is reportedly the only sailing yacht which has 4 Owner/Guest staterooms which convert from 8 single beds to 4 king-sized beds of 7-foot length. In addition, the forward two staterooms can convert to one large master suite with a center line king bed and his and her bathrooms. This makes for incredible versatility which enables ASAHI to cater to any configuration of a charter group. The charter possibilities are limitless.

On deck the enormous cockpit, free of winches and lines encourages convivial relaxation, while the helm cockpit aft offers a place for the Crew to work easily with access to their Crew quarters below.

Powered by nature - Keep it simple

BGYB represents YYachts in France

The YYachts shipyard is located on the Baltic Sea, almost directly on the water. Here we can manufacture yachts up to 35 metres in length.

The shipyard is equipped with modern and technologically advanced systems to guarantee efficiency and precision in production. At the same time, the structure is simple and straightforward to live up to the YYachts philosophy of "Keep it simple".

Their goal is to build sailing yachts that give you time for yourself as well as freedom and fun with your family and friends - a reliable investment in a better quality of life. We will treat you with the honesty and authenticity with which we produce our yachts. Our passion is to build sustainable sailing yachts that are ahead of their time, yet easy to sail and maintain.

Ybreeze 75

The new iconic daysailer for speed and fun

With the all-new YBREEZE 75 daysailer, we have created - in collaboration with Cossutti Yacht Design - what promises to be a whole new type of yacht. More a coastal speed machine than an offshore cruiser, this eye-catching 75-foot carbon-fibre craft has been designed for sailors who want to enjoy relaxing afternoons with friends or the excitement of a regatta.

Y8

With its construction, the Y8 has good potential for regatta victories. Since the mast has been placed further aft, the new Y8 carries a larger headsail, which provides better height in the wind. In the cockpit, guests enjoy a wonderful sailing atmosphere al fresco. The crew has a separate entrance here. With its soft edges and coachroof, and flooded with natural light, the Y8 has a relaxing atmosphere! Due to its design, the Y8 can be sailed with a very small crew, making it an ideal family yacht.

As a result, the 90-foot carbon sailing yacht is easy to sail even with a small crew. Her interior design fulfills and even extends all owners' wishes for a family yacht. Day 1 | Mahé - Victoria

Meet your yacht in the beautiful anchorage at Beau Vallon then go and explore Victoria, the capital of the Seychelles. It may be one of the smallest capitals in the world, but it still has plenty to offer including its central 'bazar' marketplace and its botanical garden.

Day 5 | La Digue - Nid d'Aigle

Move along to La Digue Island, a microcosm of all that Seychelles has to offer with large rocks and coconut trees surrounding its idyllic beaches. Undergo a small hike to the Nid d'Aigle (Eagle's Nest) for a breathtaking, panoramic view over the island.

Day 2 | Mahé - Morne Seychellois National Park

Spend the morning making the most of your anchorage at Beau Vallon; its turquoise lagoon is perfect for swimming and diving. In the afternoon, pay a visit to the Morne Seychellois National Park, where you have numerous magnificent hiking routes to choose from.

Day 6 | La Digue - Anse Fourmis & Anse Patates

Starting off at your anchorage at Anse Fourmis, spend the day enjoying a relaxed bike ride along the north coast of La Digue, to appreciate the incredible beaches. Arrive at Anse Patates mid-afternoon where your yacht will meet you. In the evening, enjoy a delicious meal made with the catch of the day.

Day 3 | Praslin - Cousin & Curieuse Island

Sail over to Praslin Island, where you will anchor at Anse Lazio. Visit Cousin Island, only accessible by guided tour and an exemplary model of ecotourism. In the afternoon, visit Curieuse Island, a breeding centre for the rare giant Aldabra tortoises.

Day 7 | La Digue - Coco Island & Grande Sœur

Spend the morning on Coco Island, characterized by its large granite rocks and palm trees, and fine sand and crystal waters. It boasts several small coves perfect for swimming and diving. In the afternoon, head over to Grande Sœur, one of the prettiest islands of the Seychelles.

Day 4 | Praslin - Anse Lazio & Vallée de Mai

Enjoy Anse Lazio, one of the most beautiful beaches in the world thanks to its indigo waters and border of coconut and tamanu trees, before exploring the Vallée de Mai in the afternoon. This world heritage site will transport you to the Garden of Eden.

Day 8 | La Digue - Grand Anse / Anse Source d'Argent

Spend the morning at Grand Anse beach and marvel at the contrast between the serene beach and the impressive hills and mountains surrounding it. In the afternoon, head to Anse Source d'Argent, perhaps the most photographed beach in the world thanks to its famous rocks.

Day 9 | Mahé - Victoria

Your final day of charter, return to the island of Mahé for disembarkation. Spend your morning swimming with whale sharks at Beau Vallon, or browsing artisanal boutiques for souvenirs. Have lunch at a local restaurant before heading to the airport and returning home.
